What your masjid gets

- **Prayer times, everywhere at once**
  Set iqamah and Jumu'ah once, for your page, your screens, your website and, once it is out, the app.
- **Giving, with nothing taken out**
  Online, by text and in the lobby. Zakat kept apart, recurring gifts, pledges and campaigns.
- **Messages that reach your people**
  App notifications, email from your own domain, and 1,000 texts a month included.
- **Ramadan**
  Iftar sponsors, community iftar, i'tikaf, Eid prayers and zakat al-fitr, moving with your own moon decision.
- **Screens in your prayer hall**
  Your times and news in your own logo and colors, with a quiet "Salah in progress" during salah.
- **Your own website**
  A site made with Blue on your own domain, or embeds and a plugin for the site you have.
- **Programs, school and community**
  Classes, a weekend school with a view for parents, membership, volunteers, rooms and elections.
- **The Office, for your whole team**
  Roles for your team, two-step sign-in for owners and treasurers, and a board report every month.

How to start

1. Find your masjid on muslim.blue and claim its page, or set it up if it is not listed.
2. Show us you serve there. Our front desk checks every claim, usually within a day or two.
3. Set your iqamah and Jumu'ah times, or bring them from Masjidal or a spreadsheet, and publish. Your 30 free days start then.
4. Add a card before the trial ends, or let a sponsor pay. Cancel online at any time.

More about the price

- The first 25 masjids to start paying keep their price for life, on either plan, as long as the plan never lapses for more than 6 months in a row. All 25 founding places are still open.
- Anyone may pay for 1, 3, 6 or 12 months of your masjid's plan as a gift, from its sponsor page. Twelve months cost $690, like the yearly plan. A sponsorship pays Muslim.Blue for the plan: it is not a donation, and not tax-deductible.
- Following a masjid, giving and joining are free for members. Muslim.Blue Premium, for the Muslim.Blue app, is optional: $5.99 a month or $39.99 a year.
- An owner or treasurer cancels online from Billing at any time, and the plan runs to the end of the period already paid for.

Who holds the money?
Your masjid, in its own Stripe account. Muslim.Blue never holds gifts.

Who owns our records?
Your masjid. We use them only to run Blue for you, and never sell them.

What if we stop?
Your prayer times keep showing, exports keep working, and nothing is deleted.
